To all valued customers,

In light of recent public announcements regarding industry-wide recalls of certain infant formula products in several markets, we would like to confirm that all our products sold in Vietnam do not contain arachidonic acid (ARA) oil.

The ingredients used in our products have been verified to comply fully with all applicable quality and food safety standards, and no safety issues have been identified. Customers may therefore continue to use our products with confidence.

Products:

Infant Formula
SUKOYAKAM1

Growing-up Formula
TSUYOIKO

Low-Lactose Milk
for Adults
Onakani Yasashii

We appreciate for your cooperation and trust.

Sincerely yours,

Kyosuke Demachi
